Cecil, this action was under TSCA, here is the NOV you requested. Note that there is a CBI version of the report which cleared folks have access.

Subject: Chemours TSCA Notice of Violation

Joel,

I'm attaching the Notice of Violation based on the EPA's TSCA compliance inspections and follow-up correspondence associated with the Chemours' Fayetteville facility and the Parkersburg facility. This email contains non-CBI versions of the NOV and the inspection reports. I will call you in a couple of minutes to arrange delivery of the CBI version. I look forward to discussing this matter with you soon.

Mark
